BRIDGEPORT, APRIL 11, 1885.

LOCAL INTELLIGENCE.

MIST PAY.—On Tuesday the Board of Supervisors passed an order to brace up and strengthen the backbone of Assessor McAlpin in the discharge of his duty in the pursuit of filthy lucre for the benefit of the State and county, in assessing the personal property of corporations or individuals who have allowed their real estate to be knocked down to the State for previous taxes. It is the duty of the Assessor to enforce the collection of taxes on personal property of corporations or persons who have no real estate assessable to them; and all who have had such realty sold to the State and have not redeemed it, come under this rule, as the Assessor has no right to assess any property, sold to the State, if not redeemed. This Spring the Assessor will seize and sell the personal property of all such delinquents, and the Board has pledged the county to hold him and his bondsmen harmless while discharging such duty.

BUT A TICKET.—Every citizen of this town and vicinity should purchase a ticket to the ball to be given at Bryant's Hall on next Friday evening for the benefit of the new brass band, the proceeds to be applied to the purchase of a new band and other necessary instruments which will be of great progress under the tuition of Prof. Ford, and our citizens should give their members all the encouragement in their power, and their assistance in purchasing instruments will be appreciated, and such assistance will inure to the benefit of the town, so buy a ticket—only \$1—and assist the good work.

ITS MEMBERS.—The Bridgeport Brass Band, recently organized by Prof. Ford, is getting along finely, and has recently been increased in membership in the persons of Ben. H. Miller, Wm. O. Parker, O. H. Kister and Chas. B. Anton. The membership is as follows: Prof. M. W. Ford, E. flat cornet; Ben. H. Miller, solo B flat cornet; George Kirkwood, first B flat cornet; Hiram Barnes, second B flat cornet; Marion Barnes, solo alto; Emory Kirkwood, first alto; Chas. Day, second alto; William O. Parker, first tenor; Frank Barnes, second tenor; Wm. Barnes, B flat bass; O. H. Kister, E flat tuba; Chas. B. Anton, bass drum; Chas. Kirkwood, snare drum.

Real Estate deeds recorded	4
Mining Locations recorded	1
Homesteads recorded	1
Attachments recorded	1
Mortgages recorded	1
Mortgages released	1
Licenses recorded	1
Marriage Licenses recorded	1
Fees—cash \$3.00, county	1

FEES.—Fees for March were paid into the County Treasury as follows, less amount for county work:

County Clerk, county	\$ 24.00
County Clerk, county	25.75
Sheriff, county	6.40
Tax Collector	210.00
Recorder, cash	53.00
Recorder, county	227.00
Total since January 1st, \$1,433.50.	
Delinquent taxes collected, \$2,240.95.	

COUNTY TREASURY.—On the 7th inst. L. Goodnow, Chairman of the Board of Supervisors, District Attorney Eddy, and Auditor Massey counted the moneys in the Treasury and found therein what actually ought to have been there—\$37,614.45.

NOT BUYING.—A proposition to the Supervisors to purchase the Lundy Toll Road and make it a free road was defeated by a vote of three to two on Tuesday, the Board not being in the humor to buy toll roads just at this time. There is a feeling among the traveling public in favor of keeping our roads under private control, the county funds not being sufficient to keep them in repair.

GOODNOW'S STATION.—Supervisor Goodnow has removed from the Toll House in Antelope Canyon to his old ranch, Goodnow's Station, at the head of Antelope Valley, at the junction of the Alpine road, and is now prepared to entertain his friends and the traveling public. The Doctor always sets a good table, and has pleasant rooms.

THE BALL MUSIC.—The music to be given at the ball next Friday evening will be "away up" and furnished by Captain G. L. Porter, first violin; Frank Barnes, second violin; Chas. B. Anton, bass viol; W. O. Parker, piano; Prof. M. W. Ford, B flat cornet. The band will give those attending all the dancing they want. There is nothing mean about this band.

ROAD OVERSEERS.—The Board of Supervisors on Tuesday appointed W. O. Lundy Road Overseer for the Lundy District, and C. Howell to the like position in the Clinton District. J. F. Crowell was appointed Road Overseer for the Bridgeport District, vice A. H. Allen, resigned.

WILL PLAY.—During the evening, at the ball next Friday evening, the Bridgeport Brass Band will favor the company with several pieces of music, that its friends may see what rapid progress it has made.

EXEMPT.—The Supervisors, on Tuesday, passed an order, for the government of the Assessor, exempting active and exempt firemen from the payment of hospital, poll and road taxes.

THE HOSPITAL.—The Supervisors, on Tuesday, appointed Dr. David Walker, of Bodie, to take charge of the County Hospital, vice Dr. Anderson, removed from the State.

Personal.

H. L. Childs, of the Bodie Free Press, and wife were in town on Tuesday and honored this office with a call, which was very pleasant to us.

O. F. Hakes, W. H. Virden and C. A. Schuman have been over from Bodie on professional business.

Sam. Fales and wife came down from the Hot Springs on Wednesday.

Miss Minnie Clark has gone to Soda Springs, near Candelaria, for health and recreation.

George Kinner and wife and Mrs. H. Galtner came up from Clinton on Wednesday.

Supervisors Boone, Davison, Goodnow, Hector and Watterson were in town the first part of the week on official business, all returning home on Wednesday, excepting Dr. Goodnow, who staid over till the following day to take a few lessons in "erh."

He is improving.

Ex-Supervisor A. C. Raymond was over from Bodie on Wednesday on private business.

Auditor Massey has gone to San Francisco for health.

J. H. Job, the Bonanza King of Antelope Valley, has been here most of the week making assays of the ore from his recent discovery.

George Penner and wife were over from Bodie on Wednesday.

Joseph Carney came up from Antelope on Thursday and went to Bodie yesterday.

Tax Collector Montrose went to Bodie on Thursday to collect licenses.

Judge Leavitt is in Bodie obstructing sidewalk travel.

W. E. F. Deal, of Virginia City, is here on legal business.

Fred. Grimmer is over from Lundy.

Steve Kavanaugh has returned home from Illinois.

Mrs. Paul W. Bennett expects to leave here next week to join her husband at Stockton, where they propose to reside.

D. E. Jones, of the hydraulic mines, is in town doing a little courting.

Sheriff McKinney has returned from the Springs somewhat better of the rheumatism, but it may be some days yet before he disposes of his crutches and takes to roller skating.

John Sturgeon is steadily improving.

REAPPOINTED.—On Tuesday the Board of Supervisors reappointed Captain G. L. Porter, Janitor of the Court House, at a salary of \$100 a month. The Captain contracts to do the labor in painting the Court House, and all necessary carpenter work on the Court House and Jail, and keep the building in good order. The Capt. is a faithful officer. The Court House throughout always being as neat as a pin.

JURORS.—The order for jury men in the Lee case and made returnable on Thursday last was vacated on Monday and the names drawn were thrown back into the box, the trial having been postponed till the 27th. In the meantime many of the jurors had been summoned, and on Thursday six appeared in Court and were discharged and paid, they having received no notice of the order being vacated.

RINK ACCIDENT.—On Monday evening, at the Rink, James Anton, son of Chas. B. Anton, fell and dislocated his right wrist. Dr. Sinclair set it, and the boy is about ready for another trip—but the old gentleman says there is to be "no more skating for Jimmy!" Moral for youngsters—go slow and don't get hurt.

NEW POST OFFICE.—A new Post Office has been established in Antelope Valley at Kirman & Rickey's ranch, and named Topaz, Walter Swart, Postmaster. The mail to and from Topaz, connecting with the Carson stage at the Mountain House, is carried tri-weekly at Mr. Rickey's expense, but after the first of July the Department will give it and Coleville a tri-weekly mail. It is not creditable to the past Administrations that the innumerable petitions of the people of Mono County, asking for a direct mail route between Coleville and Bridgeport, the County Seat, were thrown into the waste basket and never acted on, probably for the reason that some of the Star-router could see "nothing in it." Now that we have a new "Reform" Administration it is to be hoped the matter will receive the attention it deserves, and our people granted the postal facilities they have so long wished for. Coleville is but 36 miles from our Court House over one of the best roads in the State, but a letter from that capital has to travel a horseshoe route, out of the State and through four counties in Nevada, a distance of 235 miles to reach a post office only 36 miles away! We submit these few pious remarks to the Postal authorities with a hope that the wants of our people will now be respected.

THE MINING SUIT.—Ben. H. Miller, appointed by Judge Sawyer, of the U. S. Circuit Court, San Francisco, examiner in the case of V. L. Elbert vs. D. E. Jones and the Virginia Creek Hydraulic Mining Co., commenced taking testimony yesterday. W. O. Parker is conducting the examination for the plaintiff, and W. E. F. Deal, of Virginia City, for the defendants. The witnesses for the plaintiff are Mrs. J. W. Stewart, W. Wetherill, Judge Murphy, J. E. Stewart and Fred. Grimmer. The witnesses for the defendants are Howard F. Hastings, E. L. Benedict and D. E. Jones. Ben. kept his Court running until 1:30 this morning, to accommodate Hastings and Benedict, of the Mono County Bank, as they had to return to Bodie in time for banking hours. The examination will not be concluded much before the middle of next week.

Ben. H. Miller, on the 9th, also took testimony for a San Francisco Justice of the Peace in the case of J. Elbert vs. D. E. Jones.

ANTELOPE SCHOOL.—The following is the Antelope school Report for the month ending March 27th, Miss Kate M. McFarland, Teacher.

Pupils enrolled 23, average number being 21, average daily attendance 20%.

The following names appear on the Roll of Honor:

Dora Beeding, 100, Louisa Job, 95, George Beeding, 94, Minnie Larson, 92, Ruth Willis, 83, Bertha Beeding, 84, Maggie Job, Yessie Larson, Florena McKay, Bruce Chester, and Lulu Willis.

The last half of pupils named appear on the Roll of Honor for their exceptional conduct, hence, no standing is named.

AN UNSET.—On Sunday last, while Mose and Norma Hutton, wife and two children were coming to town, the horses, two colts, became fractious in coming down the grade, this side of their ranch, and carried the whole outfit into the creek, a fall of some eight feet, the wagon upsetting and giving the occupants a cold bath, but, fortunately, doing no damage, excepting the wagon, which was badly wrecked. A little portion of that portion of the road will make much safer.

SERIOUSLY INJURED.—On Wednesday John Rouch, of Sweetwater, was thrown from a hay wagon near Williams', and had his left leg seriously injured by two loaded wagons running over it. Dr. Sinclair, of this town, was sent for and everything done to relieve the sufferer, but his recovery is very doubtful.

FOR LADIES.—The Rink will hereafter be open between 2 and 4 o'clock on Tuesdays and Saturdays for the use of ladies and girls, who will have the use of the Rink and skates free of charge. Gentlemen and boys not admitted.

WILL CLOSE.—The South Antelope school, Miss Hattie Miller, teacher, will close for the term on Friday next. Miss Miller will not be an applicant for the school another term.

BAD ROAD.—Our new roadmaster's attention is called to the piece of road on the first down grade this side of Hutton's, the grade being too narrow and needing repairs.

MONEY DRIFT.—The Supervisors at their late meeting allowed bills to the amount of \$2,888.63, \$114.11 less than the amount of the bills presented.

ARRIVED.—E. Gurney and Frank Cavan arrived this morning from Sonora with a small band of cows. They report considerable snow on the Sonora road.

Sheriff McKinney went up to the Hot Springs to-day with his daughter, Miss Cora.

A SCENE.

On the train which left Idaho the other noon, going north, was a richly dressed and refined-looking lady and her small child. They were accompanied by the husband and father, who was totally incapable of taking care of either himself or his wife and child. His wife was on the contrary doing her best to care for him, and tried hard to make him brace up so that the other passengers would not notice his condition, but it didn't take a very keen observer to take in his condition at a glance. It could not be hidden. He was drunk.

It does seem as though a man would have respect enough for his wife, when travelling, to keep at least sober enough so that he could take care of himself and not subject her to such an ordeal. Why don't the girls learn more about their "young men" before they give them their hearts and hands for life? It is folly to suppose that they can be reformed after marriage, for if a young man does not think enough of his sweetheart before marriage to stop the use of stimulants, he will not pay much heed to her remonstrances and pleadings as a wife.

TO PRESERVE A BOUQUET.—A lady-gardener gathered a handful of forget-me-nots, and to preserve them as long a period as possible, they were put in a large soup-plate, filled with rain-water. The flowers were placed near the window, to enjoy the advantages resulting from an abundance of light and air, and the water was replenished when needed. In three weeks, white, thread-like roots were emitted from the portion of the flower-stalk in the water; and they ultimately formed a thick network over the plate. The flowers remained quite fresh, excepting a few of the most advanced when gathered, and as soon as the roots began to run in the water the buds began to expand, and up to the middle of November, the bouquet was a dense mass of flowers, and a more beautiful or chaste ornament cannot be imagined.
